

PRODUCT LIFE CYCLE BULLETIN

01 July 2016

Subject: End of Sale Notice - Blackhawk XDS560v2 Cable Assembly

1. Blackhawk announces its intent to discontinue 18 and 24 inch lengths of the Blackhawk XDS560v2 Cable Assembly (560v2CBL) products. The End of Sale date for this cable is scheduled for 01 January 2017 or when inventory is depleted. These lengths of the 560v2CBL is not being replaced. See recommendations below for more information.

2. Definitions.

- End of Sale (EOS). The last date to order the product. The product is no longer for sale.
- End of Life (EOL). The last date that Blackhawk will provide support to the product(s) listed below. The EOL date is twelve (12) months from the EOS date. Emergency recovery and/or upgrades may be performed in accordance with customer specific service plans or upgrade agreements as negotiated prior to EOS.
- End of Life (EOL) Cycle. A process that guides the final business operations associated with the product life cycle. The end-of-life process consists of a series of technical and business milestones and activities that, once completed, make a product obsolete. Once obsolete, the product is not sold, manufactured, improved, repaired, maintained, or supported.
- Software Maintenance Contract Support. The time period that Blackhawk may release any software maintenance releases or bug fixes to the software product. Software maintenance support will terminate on the End of Life date. After this date, Blackhawk will no longer develop, repair, maintain, or test the product software.

9. Recommendations.

- While the 560v2CBL assemblies (with lengths of 18 and 24 inches) are no longer being offered, we will continue to offer the 12 inch version. This is the default length that ships with the Blackhawk XDS560v2 STM Emulator models. For the longer lengths, you can refer to the cable manufacturer, Samtec. See section 7, Replacement Part Numbers.

10. Required Actions.

- Specific Actions Required By Customer - Customers should be aware of the End of Life scheduled for 01 January 2018 and act accordingly.
