

## **PRODUCT LIFE CYCLE BULLETIN**

1 July 2016

Subject: End of Sale Notice – ScanTAP-Relay

1. **Corelis announces its intent to discontinue the ScanTAP-Relay product.** The End of Sale date for this product is scheduled for 1 January 2017.
2. **Definitions.**
  - **End of Sale (EOS) Date.** The last date to order the product. The product is no longer for sale.
  - **End of Life (EOL) Date.** The last date that Corelis will provide support to the product(s) listed below. The EOL date is twelve (12) months from the EOS date. Emergency recovery and/or upgrades may be performed in accordance with customer specific service plans or upgrade agreements as negotiated prior to EOS.
  - **End of Life (EOL) Cycle.** A process that guides the final business operations associated with the product life cycle. The end-of-life process consists of a series of technical and business milestones and activities that, once completed, make a product obsolete. Once obsolete, the product is not sold, manufactured, improved, repaired, maintained, or supported.
  - **Software Maintenance Contract Support.** The time period that Corelis may release any software maintenance releases or bug fixes to the software product. Software maintenance support will terminate on the EOL date. After this date, Corelis will no longer develop, repair, maintain, or test the product software.
3. **Product Information:** ScanTAP-Relay
4. **Impacted Software Releases:** N/A
5. **Impacted Software Part Numbers:** N/A
